

12-HOUR CEU'S WORKSHOP

FOR VOLUSIA COUNTY IRRIGATION CONTRACTORS

Approved continuing education requirements for irrigation contractor license renewal.

Topics planned during the one day and a half are both technical and business along with product displays. Workshop also open to other individuals who wish to obtain irrigation relevant education. Continental breakfast and breaks included both days. Lunch on your own. **12 CEU's available by attending this workshop.**

Agenda and topics to be posted soon.
